

Dear Parents,

Welcome to P1EN!

Together we have such an exciting year ahead of us. The relationship between a teacher and the student is an important one, but equally important is the relationship between the teacher and the parents. Together we form a partnership with one common goal – to ensure your child succeeds and can thrive within their school environment. I look forward to getting to know each of you in due course (and reacquainting again with old friends from my M1EN Class).

Below you will find our materials list required for P1. To help the children carry each item, the list has been split into 2 days. Please ensure each of these items is in your child's school bag for the day mentioned below.

Please also fill out the form for lunch time and home time. You can either print it out and hand it directly to me on the first day, otherwise email it back to me before the start of school. This form is very important, and allows both myself and your child to know where he/she is going for lunch and home time.

Kind regards,
Ms. Hynes
